

Andrea Chevalier

improving relationships.
changing lives.

Fun. Vibrant. Dynamic. Real. Moving. These are just a few of the words that have been used to describe Andrea Chevalier. Her zest for living life to the fullest is equaled only by her love for God and her passion to help others deepen their relationships with God, their families, and others.

Through her experiences as a pastor's wife, mom, educator, and speaker, Andrea has developed a love for people and a relational style that draws them to her heart, and to the heart of God. If you need a great speaker to liven up your conference, meeting or retreat with fun, yet still keep it focused on Scripture and God's Truth, Andrea would be excited to serve your group!

I can't tell you what a joy it was to have you talk with our group!

You took some very important subject matter and wrapped it up in such a fun (and tasty) package.

Thank you for being full of truth and for speaking that truth lovingly into the lives of others. Your gifts are clearly being used in a mighty way, girl.

Our Relationship With God

Treasure Your Gifts

God loves to shower us with gifts of all kinds, but sometimes we are too busy to realize His presence and gifts. In this presentation, Andrea will show you how fulfilling life can be when we learn to recognize and cherish all the different kinds of gifts that God gives us.

Walk in Love

Sometimes we try to walk in love without ever connecting to the One who teaches us how to love. Based on Ephesians 5:1 – 2, Andrea will teach how to connect with God so that we can learn to walk in love with others.

Our Relationship With Our Family

iRelate Marriage Retreat

Is your marriage like your iPod or iPhone? All about meeting your wants and needs, completely customizable to what you desire? We may think so, but in fact, the opposite is true. Marriage is about meeting your spouse's needs! In this weekend marriage retreat, Gary and his wife Andrea help couples refocus, refresh, and recharge their marriage!

They Still Want Supper?

Do you ever feel that your fast-paced life would go so much easier if certain life responsibilities did not get in the way? In today's world, the tug on us from all corners of life can overwhelm us if we do not prioritize the important things in our lives. In this presentation, Andrea will encourage you as you seek ways to put the key relationships in your lives first. You will even learn how to find time to feed them supper!

Our Relationship With Others

Which Shoe Are You?

Have you ever tried walking in someone else's show and it didn't quite fit? That is because God designed us in a unique way with a distinct personality. Wear your favorite pair of shoes and let Andrea teach you how to see yourself and others as God intended you to be.

Savoring the Christmas Fruitcake

Let's face it - who really enjoys eating fruitcake at Christmas? Often, some of the people you are forced to be around during the Christmas Holidays are like that fruitcake - not something you enjoy, but rather must endure. In this fun session, Andrea will show you how to season and savor all your relationships during the holidays!
